LIPSA NAYAK

ASPIRING TECH PROFESSIONAL

Kataka,Odisha | 7855866309 | lipsanayak7855@gmail.com

TECHNICAL SKILLS

- **.Programming Language**: Python
- **Database**: SQL Server
- **Web Development**: HTML, CSS, JAVASCRIPT
- **IDE**: VS Code
- **Version Control**: Git, GitHub
- **Operating System**: Windows
- **Soft Skills**: Problem Solving, Analytical Thinking, Observation & Attention to Detail

INTERSHIPS

Python Developer | SkillNexis Sep 2026-oct 2026

Gained practical knowledge of Python programming, data structures, functions, OOP, and file handling using CSV and JSON.

Web Development Intern | I Buzz Sep 2026-present

- Learning and practicing web development using HTML,CSS, JavaScript, and React .
- Building frontend development skills and understanding web development concepts for project work.

PROJECT

Payment Receipt Generator

Technology used - Python

- Developed a Python-based application to generate payment receipts with customer details, item information, and total amount calculations.
- Implemented JSON file handling to store and retrieve previously generated receipts without using a database.
- Added a search feature to find previous receipts by customer name, contact number, or bill number.
- Implemented receipt history management for easy access to previously generated bills.
- Used Python programming concepts and file handling to manage customer and payment records efficiently.

EDUCATION

Bachelor of Computer Application **2024-2027**

Ravenshaw University

Relevant course work in Database Management,web development Systems(SQL Server) and Programming in Python

ADDITIONAL INFORMATION

- **Language :** English,Hindi,Odia
- **Certificate :** Gen AI,introduction to SQL
- **soft skills :** Team work, Analytical Thinking, Time Management
